STATEMENT OF SUBSTANCE OF INTERVIEW

Dear Sir:

This communication is responsive to the telephone interview initiated by the examiner on November 6, 2003, and the Interview Summary mailed on November 17, 2003, in the above-identified application.

Examiner Bareford conducted a telephone interview with Paul Schwarz, the undersigned attorney, to obtain authorization for an examiners amendment that provided a complete listing of all claims in the application, as the listing provided in the after final amendment of October 30, 2003, inadvertently omitted claim 22. The proposed examiners amendment was authorized by the undersigned attorney along with a \$55.00 fee for a one month extension of time, charged to the undersigned attorney's firm deposit account 50-2061.

No fee is believed to be required for this communication. The Commissioner is hereby authorized to charge payment of any additional filing fees required under 37 CFR 1.16 and any patent application processing fees under 37 CFR 1.17, which are associated with this communication, or credit any overpayment to Deposit Account No. 50-2061.

Respectfully submitted,

PAUL A. SCHWARZ
